It was not my day today! In the morning, I got up at ten to eight, so I ran to school. At half past eight, I got to school. I was late for school. My teacher, Mr. Davis, asked me to give him my English workbook, but I didn't find it. Mr. Davis called my mom and told her about it. My mom was not happy, so I cannot go out this Sunday. I remembered I was doing my English homework at half after seven last night, and then Nick called me. We talked a lot on the phone, so I put the workbook on the desk and didn't put it in my school bag. How sad! This Sunday is my birthday. I really want to see a movie with Nick on my birthday! What can I do?
