三、閱讀測驗(6%) (請選出最適當的答案)

There are many old and special villages in Taiwan. One of them is Bai-Mi Village. It was once a small and forgotten village in Yilan, Taiwan. Now it is famous for its clogs. Because of Japanese culture and the humid weather, the village people wore clogs on their feet when they went out in the sixties and seventies. As time goes by, the clogs become a symbol of the village.

In these years, more and more young people go to work in the cities and don't stay in the village. To change their village, some young people and the old people work together to develop their own culture. With the convenient transportation, more and more visitors come to Bai-Mi Village and make a pair of special clogs of their own. It's really comfortable to enjoy your holiday in this small but interesting village.
