Every morning, you go to a convenience store and spend seventy dollars on a cup of coffee. When you enjoy the sweet and bitter taste, you start to think, "Where does the money go?"

According to the news in 2020, most of the money goes to the shop. If the coffee is NT\$100, the shop can get NT\$65 and it pays the clerk NT\$25. As for the company, it gets NT\$20 and spends half of the money on the land and factory. The farm owner only gets 10 dollars. Finally, the rest of the money goes to the labor.
