Man: Will you drive?

Woman: No. Driving there will take me six hours. That's why I don't like to drive.

Question: Which is true?

IV. 題號 14-15 請聽短文回答問題。

Because of fast fashion, people can now buy new clothes at a low price. However, the truth behind the clothes can be ugly. The workers in clothing factories work long hours for very low pay, and most companies use polyester to make clothes. Polyester is cheap and it comes off your clothes little by little. What's more, it is not friendly to the environment. Next time, when you want to buy something, think before you act.

14. Question: According to the story, why are the clothes so cheap?

15. Question: Which is true?
