三、閱讀理解(選出一個最適當的選項)

(一)

You may hear people complain(抱怨) about their
jobs or life from time to time. In the beginning of a week,
many people feel unhappy before they go to work or
school. That's so-called "Monday blue." They feel bad
because they don't want to deal with their tiring
daily(每日的) work or they hate to see someone they
don't like. They wonder why they have to face so many
terrible things on the first working day of the week.

We all know that life isn't that easy, and life still has
to go on. Why don't we just change our thought in a
happy way? Before we go to work on Monday, try to tell
ourselves something like that, "Ah, that's the beginning
of a week of making money!" To people who are going
to school, they can talk to themselves like this, "It's the
beginning of the week to learn new things!" Things will
be changed if they change their way to see the world.
Just try to look at the bright side of life. Remember this:
if you laugh, the world will laugh with you. If you cry,
you cry alone. Don't waste time on something you can't
change, but do something to change your life!

thinking in a happy way.

beginning of the week.
