II. Car Free Day

We all know that the temperature is rising and each degree is important. Therefore, we decide the third Tuesday of every month to be Car Free Day in Happy city. It's time to give up your car for a day. Although cars are fast and convenient, they lead to serious pollution. We can go to our destination by biking.

People can get lots of benefits from riding bicycles. First, we can become healthier by riding a bicycle to work. We don't have to spend more time exercising to stay in good shape. Second, bicycle is good for our environment. It can help reduce carbon emission. Most important of all, it is a good way to save money. Please join us. You just can't miss this day.

Notice: After bike riding, you can get free snacks at Happy Department Store. Children under 12 must go biking with parents.
